

Halloween Survey!

Attached is a very simple Halloween survey that your CU may want to use!

It's been tried and tested – and questionnaires are a good way to just open up conversations about Jesus!

Granted...

- 1) You need permission from your College/Sixth Form to go ahead with them
- 2) You need to sum up some confidence to give them a go but...

God is faithful!!!

I **always** start a questionnaire feeling sick - yet at the end of the day I leave feeling very excited and more and more aware that God uses even the most shaky and nervous members of His Kingdom to share His amazing gospel. He's in the business of doing that!

This Survey uses a quote from John's Gospel, we recommend that you visit your local Christian Bookshop and see if you can get a good deal on a bunch of John's Gospels!

- Conversations may end up with you being able to give away one!
- ❖ You can purchase 20 John's Gospels from The Good Book Company for £12.50 → <http://www.thegoodbook.co.uk/search?q=John%27s+Gospel>
- ❖ UCCF and Wesley Owen also at various times sell gospels at a discounted rate if you're buying a bundle.

NOTE: The beauty about Surveys is that you can change them if you need to... so if you find a bunch of Mark's Gospels going cheap instead – why don't you find a great get-ya-thinking quote of Jesus from Mark, alter the questionnaire a bit and give some Mark's away instead!?
